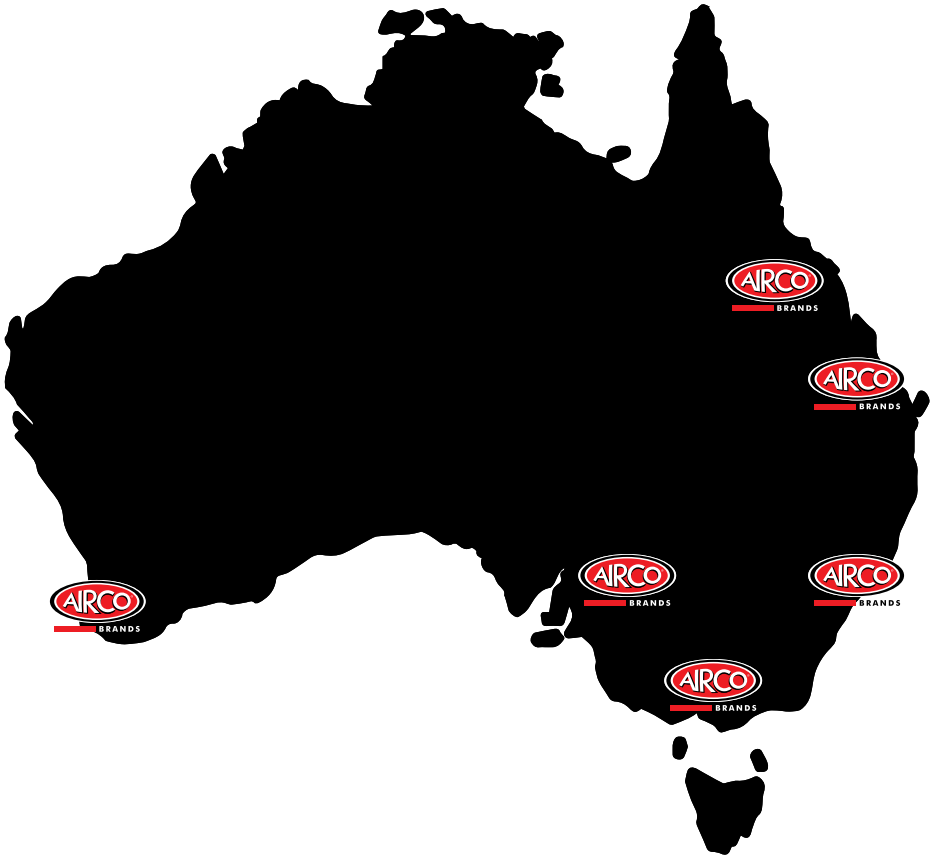
Airco is a trusted name in fastening, with a reputation built on providing quality nails, screws, rivets, nuts and bolts, staples, and tools suited to DIY and Trade. It is one of a stable of trusted trade-quality brands, proudly owned and marketed by Airco Brands.

Airco Brands is an Australian family-owned company with a proud legacy of three generations leading and managing the business. Airco Brands has provided quality tools and fasteners to the construction, manufacturing, retail and rural markets for over 20 years and is one of the largest diversified fastener companies in Australia and New Zealand, boasting six distribution centres nationally. The Airco Brands portfolio includes SENCO, Otter, COLT, Interbath, Titan, National, Aerofast, and Cobra all of which are synonymous with quality reliability and service.

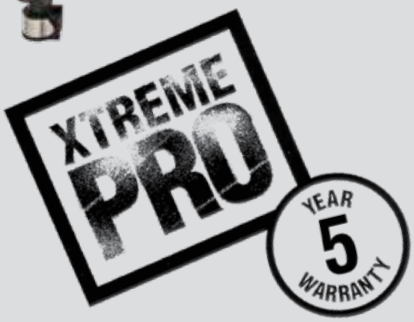
The combined offer of Airco Brands will give you the range, strength, and performance you require, no matter the task at hand.

It is Airco Brands' vision 'To be the business partner, customer, and employer of choice' and we are continually striving to improve our offering and to ensure an exceptional customer experience for our valued customers.

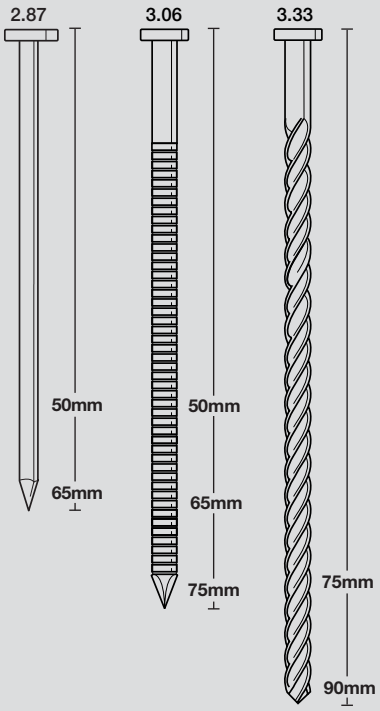


If there is anything you would like to discuss, please call our attentive customer service team toll free on 1300 365 800, +61 3 8787 2900 for international callers or email sales@aircobrands.com.au.

SN751XP



50mm–90mm Clipped head framing nails



FRAMING NAILER

34°

SENCO XTREMEPRO™ FRAMING NAILER

SUITS 50-90mm clipped head framing nails

FEATURES

- Single-shot Trigger ensures operator safety and provides precision fastener placement.
- Dimpled grip is ergonomically designed for better productivity and less fatigue
- Aggressive toenail safety teeth grip bite into timber to prevent movement, also includes No-mar pad
- Adjustable depth-of-drive installs nails to a consistent and controllable depth
- In line fastener magazine includes ruler and reload indicator to alert user when it's time to reload

PRODUCT REFERENCE CHART

TOOL SPECS	SN751XP
Trigger	Restrictive
Length	381mm
Height	362mm
Width	106mm body
Weight	3.8kg
Air inlet	3/8" NPT
Operating Pressure	70-120psi
Air consumption (at 60 shots per minute)	311 l/m
NeverLube® technology?	No
Magazine capacity	70 nails
Warranty	5 years
FASTENER SPECS	
Type	Clipped head framing nails
Shank types	Smooth, Screw, Ring
Diameter	2.87, 3.06 & 3.33
Length	50, 65, 75 & 90mm

- Robust aluminium drive cylinder and rugged carbon fibre magazine increase resistance to damage
- The eco-friendly 18v Li-ion battery with charge indicator is both powerful and consistent
- Control and situation with selectable drive switch and thumb wheel depth-of-drive
- Nose-mounted LED light to illuminate work surfaces

PRODUCT REFERENCE CHART

TOOL SPECS	FN55AX
Trigger	Bump or restrictive
Length	330mm
Height	276mm
Width	76mm
Weight	2.7kg
Air inlet	-
Operating Pressure	-
Air consumption (at 60 shots per minute)	-
NeverLube® technology?	No
Battery	18V Li-ion - 1.5 AMP
Charging	100% 45 min.
Magazine capacity	110 nails
Warranty	2 years on tool. 1 year battery/charger
FASTENER SPECS	
Type	C1 series straight brad nails
Shank types	Smooth
Diameter	18 gauge (1.25mm)
Length	16-56mm
Angle/Collation	Straight glued strip
APPLICATIONS	
	Moulding and decorative trim, furniture trim, window beading, blind pinning of upholstered and trim panels, rattan, scribe moulding, cabinets, drawers and picture frame assembly.
BARCODE	741474119095
Kit Contains	2 x 18V Li-Ion batteries, charger and case

AUTO-FEED SCREWDRIVER

SENCO DURASPIN® 18V AUTO-FEED SCREWDRIVER

SUITS 25mm - 50mm Collated screws

DS215-18Li

FEATURES

- 5,000 RPM high-speed motor is especially designed for drywall applications
- Corner-fit indexing technology that eliminates the screw placement challenges of auto-feed screw guns
- Load quickly and prevent mis-feeds with the patented EZ Load screw strip guide
- Variable-speed trigger allows user to regulate RPM depending on application
- Features such a ergonomically designed handle, second manual grip and belt hook add to user comfort

PRODUCT REFERENCE CHART

TOOL SPECS	DS215-18Li
Trigger	Variable speed
Length	381mm
Height	241mm
Width	99mm
Weight	2.4kg
Air inlet	-
Operating Pressure	-
Air consumption (at 60 shots per minute)	-
NeverLube® technology?	No
Battery	18V Li-ion - 3 AMP
Charging	100% in 60min.
Magazine capacity	50 screws
Warranty	1 year
FASTENER SPECS	
Type	Collated Screws
Shank types	Screws
Diameter	6-8 gauge & 10 gauge
Length	25-50mm
Angle/Collation	Plastic collation
APPLICATIONS	
	Drywall, Sheathing, Cement Board, Underlayment, Sub-flooring
BARCODE	741474096037
Kit Contains	2x 18V 3Ah Li-Ion batteries, charger, drywall nosepiece, wood nosepiece, storage bag & PH drive bit.
